Rivers State.

Dear Sir,

**RESIGNATION AS DIRECTOR-GENERAL OF THE RIVERS
FIRST MOVEMENT (RFM).**

I write to inform you of my decision to resign my position as the pioneer Director-General of the Rivers First Movement (RFM), a pro-democracy, social-political group and the foremost mobilization arm of the Rivers State Chapter of the African Democratic Congress (ADC).

This decision didn't come easy but was well thought out. It was also arrived at after extensive consultations. Like you would agree, I made frantic efforts to make the movement stay on the path of its founding ideals but it all proved abortive.

As a progressive, I find it more honorable to take the exit route, rather than staying back and continue to struggle to do right in a system that was becoming suffocating.

As brief as my time was as Director-General, my commitment was never in doubt. The opportunity and experience was worth it. I will continue to participate in efforts aimed at promoting good governance, democratic values, youth participation and responsible leadership for our dear Rivers state.

Also, I have officially left the ADC as a party. I wish the RFM and the ADC well.

Be assured of my best wishes.

Yours in the struggle,

MAOBUYE NANGI OBU
